By providing personal information to us, including through My Plan Manager (MPM) Platforms (e.g. Client Portal, Kinora), you consent to our collection, use and disclosure of that personal information in accordance with this Privacy Policy and any other relevant arrangements between us such as the Platform Terms.

We may change our Privacy Policy from time to time by publishing changes to it on the Platform and our website. We encourage you to periodically check our website and Platform to ensure that you are aware of the most up-to-date version of the Privacy Policy.

This Privacy Policy should be read in conjunction with any other specific collection notice or consent that we provide to you.

If the Consent to Obtain and Release Information form is not completed MPM may ask the person(s) seeking information to liaise directly with the client or their nominated person.

My Plan Manager shall work with nominated representatives / guardians in circumstances where clients are unable to give informed consent (e.g. to a service agreement). In these cases, nominees and guardians must reflect the needs and goals as identified by the person with disability and make decisions regarding privacy and dignity to best maximise the client’s wellbeing in all aspects of his/her/their life. My Plan Manager will try to work with the nominee as required to achieve this end.

All clients have the right to refuse to provide personal information to My Plan Manager. If a client refuses to provide My Plan Manager with the information requested My Plan Manager will try to advise how this may impact upon the delivery of services and supports and whether it will be possible to provide services without the required information.
